

OFF SOUNDINGS CLUB

2005 PERPETUAL TROPHIES

Following are the Perpetual Trophy winners for the past season. These trophies are awarded annually to members only and without regard to Off Soundings penalties (PE). They will be presented at the annual dinner scheduled for April 1, 2006. To be eligible for these awards a skipper must have been an Off Soundings Club member in good standing for each of the races in the scoring period.

As there were no starters in Class D for the 2005 Fall Series the Diane Trophy will not be awarded this year. As Class B is now inactive the G.W. Blunt White trophy which formerly was awarded for best two-year combined performance in Classes A and B will be awarded based on Class A results only. One-year awards are based on total corrected time; two-year awards on low points. For the latter there will one throw out when all eight possible races are completed. Only six races were completed over the past two years, therefore, all six races are scored.
