TO ALL BIRW PARTICIPANTS

Monday, Feb 25, 2008

The Off Soundings Club would like to extend an invitation to join our 71st Spring Race Series, to Block Island, RI, June 13-14, 2008!! What better way to get a tune-up to the Block Island Race Week activities! With a “lay-day” on Sunday to get a “battery charge”, the whole week should just work out great for all!

Our Spring Series starts with a race from Watch Hill, RI to Block Island on Friday. The Saturday race is around the Island (weather conditions permitting). Each Race is followed by a shore party at The Oar, with announcements both days and awards on Saturday.

The OSC Race Series usually has over 120 yachts in 10 different classes - based on yacht size, design, spinnaker and non-spinnaker. One-design classes CAN be accommodated if there is sufficient interest. Good competition and camaraderie is our primary goal!

If you are unfamiliar with Off Soundings and would like more information, PLEASE call or e-mail me. I would more than happy to answer any particular questions you may have.

The following timetable is very important for everyone –

1. **April 18th** – Notice of Race and Race Entry Form are published and mailed to OSC members and all who have submitted a Request to Participate prior to that date
2. **May 8th** – Last day (Postmark or other) to submit a Request to Participate – NO EXCEPTIONS
3. **May 22nd** – Last day (Postmark or other) to submit the Race Entry Form. NO EXCEPTIONS
4. **June 6th** – Final Notice of Race and Scratch is sent to all entrants

If you would like to enter the OSC 2008 Spring Series, please submit your Request to Participate by filling out the info listed below and sending it to William Loweth *on or before* May 8th, 2008! This date is an absolute drop-dead date! No Request to Participate can be accepted after May 8th 2008! The information can be e-mailed to lowethwa@Gmail.com, FAX'd to 860-536-1793, or mailed to William Loweth, 262 Crosswinds Drive, Noank, CT. 06340-4878.
